FOREWARD

Recorded on the pages of the 1965 TOM TOM are the activities, the fun, and the achievements which the student body and faculty of Orestimba Union High School have participated in during this year. The Staff sincerely hopes that this TOM TOM will recall to you many pleasant memories and that it will serve as a reminder of those wonderful days spent at O. U. H. S.

ADMINISTRATION

BOARD OF TRUSTEES

Left to right. Mr. Louie Coelho; Mr. Enos Tosta, clerk; Mr. Lee Jasper, president; Mr. Edward Lafler; and Mr. Ed. Cabral.

The Board of Trustees is a group of citizens elected by the people of this district to represent them in matters concerning administration, property, maintenance, and personnel of this high school district.

Since many school functions lie in the hands of these few men, without them our public school would have a slim chance of existence.

We are grateful for the careful consideration the Trustees gave in arriving at each decision they made for this school year.

DR. WILLIAM A. GUSTAFSON
DISTRICT SUPERINTENDENT -
PRINCIPAL

WE ARE ON THE SHORE . . .

After four pleasant and productive years with the Class of 1965, we of the Orestimba Faculty must say farewell and good luck to you.

During these years, most of you have grown and changed more than you realize. As Freshmen, you appeared somewhat confused by the sudden change in your status from competent eighth graders who had adjusted well to elementary school life, to planning and leading school activities, and to the responsible role of "looking after the younger ones".

In 1961 you became the "younger ones" in a new milieu, sometimes tenderly protected by--and occasionally shielded from--the attentions of the upper classmen.

We regret that not all of your 1961 classmates were able to make the adjustment to high school requirements and responsibilities, and we know that in the coming years those students who dropped by the wayside will envy you as you take your place in society at higher levels of productive citizenship.

. . . THE OCEAN LIES AHEAD.

Now you are about to leave another situation in which you have made a comfortable and profitable adjustment to embark on a new phase of your growth as men and women. You will again be novices, whether as Freshmen for further schooling or as beginning workers in the workaday world.

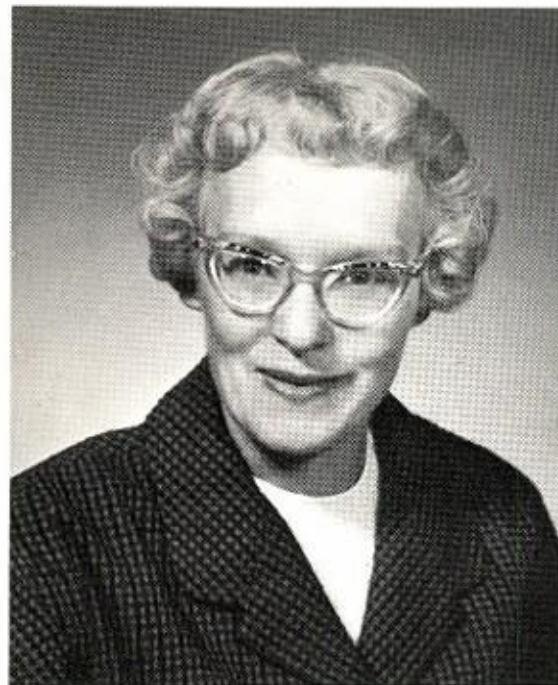

You will find yourselves with new people, with new demands made upon you, and with new opportunities to display your talents and abilities.

Nor will this be the last time you meet change, for the way of life in our modern world is change and challenge. Whenever you begin to think there is no need for change and learning, you will then have begun the decline during which the world passes you by, and which ends with death.

We have every confidence that you will enjoy a long and pleasant journey across the sea of life as, with mixed emotions, we bid you

BON VOYAGE.

SPORTS

VARSITY FOOTBALL

Football Summary

Do you see a ball? I don't see a ball.

With the return of sixteen lettermen from the previous season the Warriors loaded forward to a fair showing in the 1965 Football Season. This year's team was dependent on the fact that its players were hard hitting, quick thinking, but most of all that they played as a team. This is the reason that the team understood the need for the fresh blood that had come up from the Junior Varsity squad.

The Warriors schedule for this year's season showed schools that Orestimba hadn't played for many years. Many of these schools were much bigger than ours, but in the words of the coach, John Miller, "They can only play eleven players at a time, just like us." The Warriors proved him right by beating such schools as Escalon, Hughson, and Bret Heart.

Many teams are hurt by players injured in practice or in non-league games. This happened to Orestimba when the team's fullback, Donald Mederios, was hurt. Things weren't looking too good for the Warriors then. But because of Ron Cornell, the team's and league's best fullback, the Warriors were able to stay high in the league standings.

Ron Cornell had a lot of help from linemen such as Ron Hansen, Alex Landeros, and Glen Crow. Without, these boys Ron could not have made much yardage, even though he has great drive and persistence.

The Warriors started out the season by meeting the Bret Heart Bulldogs. In the first home game of the season the Warriors gave our school a victory. That made everyone hope that maybe another football championship would comeback to Newman with a 7-0 defeat.

In the second game of the season the Warriors met the Gustine Redskins. Although the Warriors played a good game the Redskins won by the score of 20-0.

The fifth and final non league game was held in Hughson against the Hughson Huskies. This was one of Newman's hurt games of the season. When the Warriors went in at the half the score was 13-0 in favor of the Huskies. But because of penalties against the Huskies and pass interceptions, the Warriors defensive halfbacks Robert Cabral and Larry Tucker, and a punt return by Dan Joyce the Warriors were able to rally 20 points to beat the Huskies 20-13.

Against Ripon in the first league game of the season the Warriors were able to score 12 points to defeat the Ripon Indians 12-6.

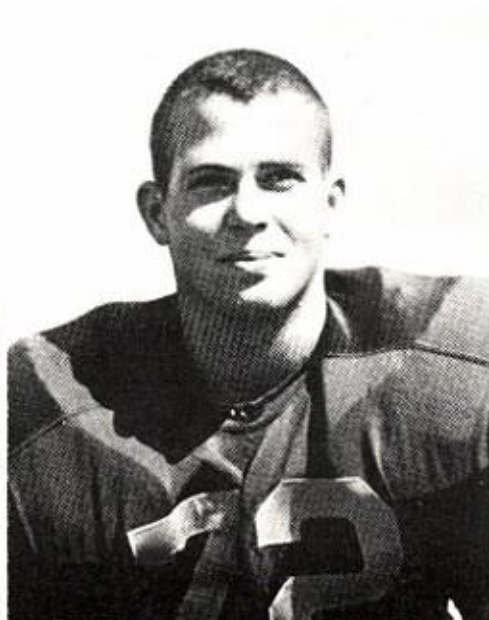

In the seventh game of the season against LeGrand, the Warriors lost a

Few athletes in the history of Orestimba's football team have been able to compare to the ability of Ronald Cornell. Ron is one of the few personalities that has come along to add to the pride of the Warriors squad, his school, town, and even state. In the past four years Ron has played a very important part in making up the Warriors and Braves team. As a freshman and sophomore, Ron was a Junior Varsity player; he showed much more eagerness to play than many of the upper classmen on the Varsity Squad.

As a junior, in his first year as a varsity player, Ron made first string. He played left halfback, and gained 788 yards rushing. He was one of the best halfbacks during that season and was noted for the teams and leagues most valuable halfback. Ron's senior year showed his best ability as a football player. In ten games he carried the ball 192 times for 1,190 yards. Because of this Ron was ranked 5th in rushing in Northern California. He also made All Conference League two consecutive years. He was able to complete 9 passes for 22 attempts and 110 yards, and caught 5 passes for 130 yards. He scored 15 touch downs and 2 points after touch downs. His average for both junior and senior year was 6.5 yards per carry. Totally, Ron Cornell was able to gain 2,518 yards, for two years of Varsity Football. Orestimba Union High School was proud to have Ron as a student and hopes that his eagerness has inspired others to show enthusiasm in sports.

close one in the last few moments of play, by a score of 13-6.

In Denair the Warriors lost what they thought was going to be an easy game. But the Cayotes proved them miserably wrong by defeating us 27-7.

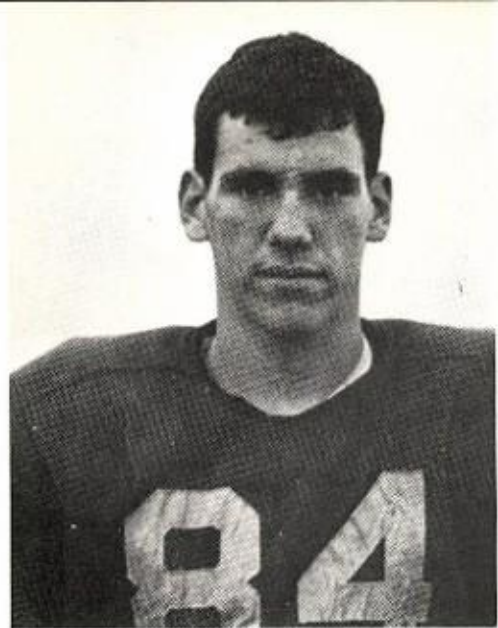

Things were pretty bad the night of the Mariposa game with fog covering the field. The players could hardly see 30 yards in front of them. But because they were playing on their home field the Warriors were able to scalp Mariposa 34-2.

In the last game of the season in Hilmar where it was cold and misty the Warriors were able to defeat the Yellow Jackets 27-13 to end the season with a 6-4 record.

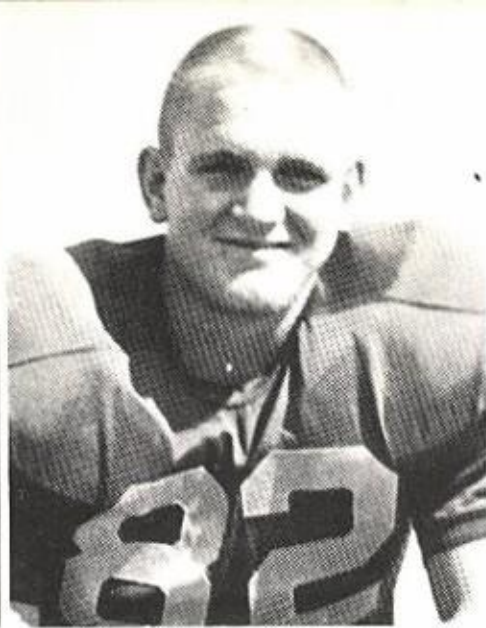

The Warriors ended the season in a three way tie for second place. Some of their statistics were: total yards rushing 2310, number of first downs passing 425, and number of first downs rushing 120.

It usually took more than 2 players to stop Ron Cornell No. 26 in gaining more yardage

League Coach of the Year

Sommai Tanganskul, our exchange student from Thailand, makes a difficult hook shot.

SEASON SUMMARY

In spite of the loss of last years big guns, the Orestimba Warrior Basketball Team had an outstanding season. In league play this year the Warriors placed second, with a very handsome record of 7 wins and 3 losses.

However, had not one of the first string boys injured his ankle, the Warriors may have had a better shot at championship.

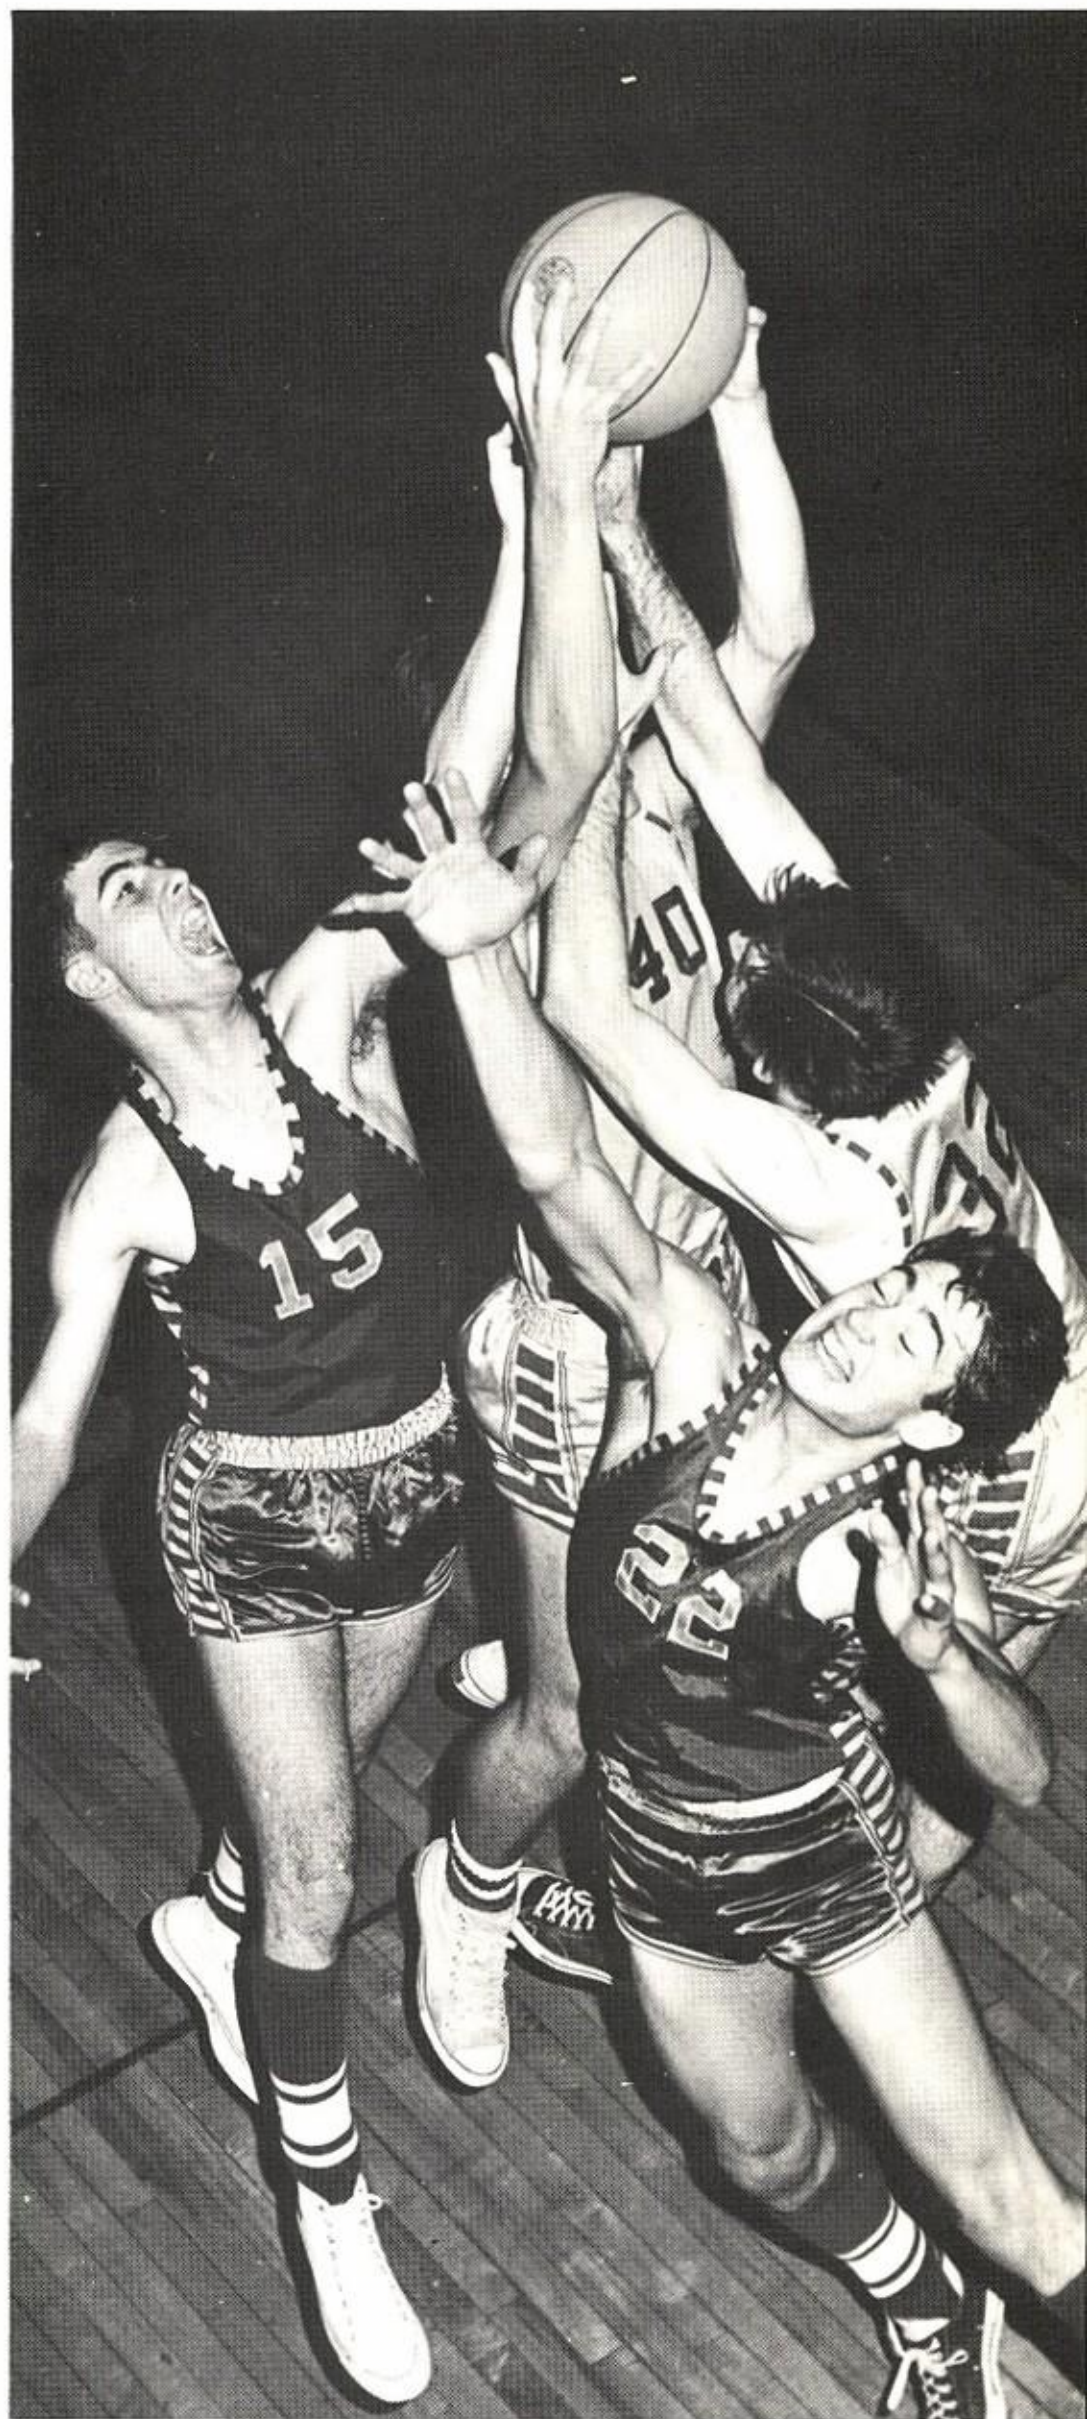

During the season the team participated in two tournaments. At the start of the season the Gustine Tournament and at the end of the season, the Patterson Invitational Tournament. The first two games of the Gustine tournament saw the Warriors lose two heartbreaking thrillers. In the Patterson tournament the Warriors lost two of their games giving the consolation trophy to Mariposa.

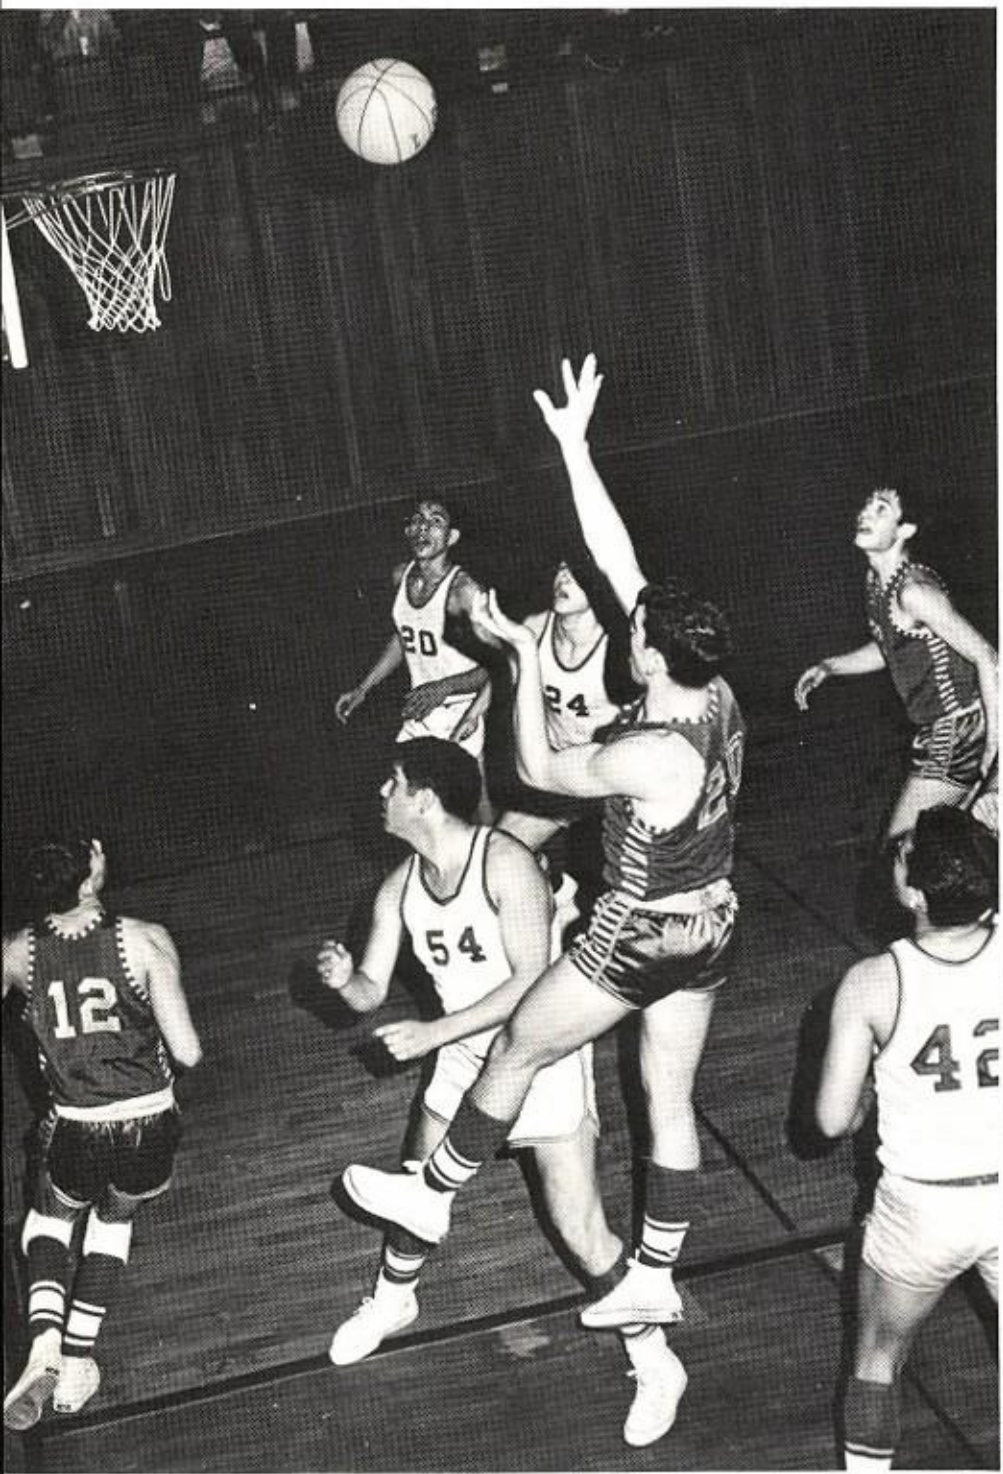

This year the Warriors were fortunate to have three boys affiliated with the Southern League All Conference Team. Alex Landeros, Warrior senior and standout ballhawk during the past season was picked by league coaches for first team; a second team pick was Keith Braley, while Robert Cabral received honorable mention. Warrior Varsity Coach Harold Canter shared the league Spotlight with Landeros by gaining the nod of fellow coaches as "League Coach of The Year."

All in all, the Warrior Basketball Team had a good, successful year. The Orestimba student body can be proud of the job that the boys did, and of the effort that the boys put out.
